

Sacred Essence

The Essence of who we are is Sacred

RETAIL PRODUCT CATALOGUE 2010

Welcome

Thankyou for your interest in Sacred Essence Aromatherapy products.

Here are some of our key product features:

- **100% pure essential oils** combined with the ancient healing essences of the **Australian Bush Flowers**.
- The finished products are stored in our **crystal room**, with crystals specifically chosen for each blend, to enhance the energy and vibrational content of the product.
- We only use **natural ingredients**.
- Our products come in **circular glass** containers to ensure the energetic properties of the product are maintained.
- The entire range of Sacred Essence products and ingredients are energetically charged each morning using ancient healing techniques like meditation, sound vibration, crystals healing etc..

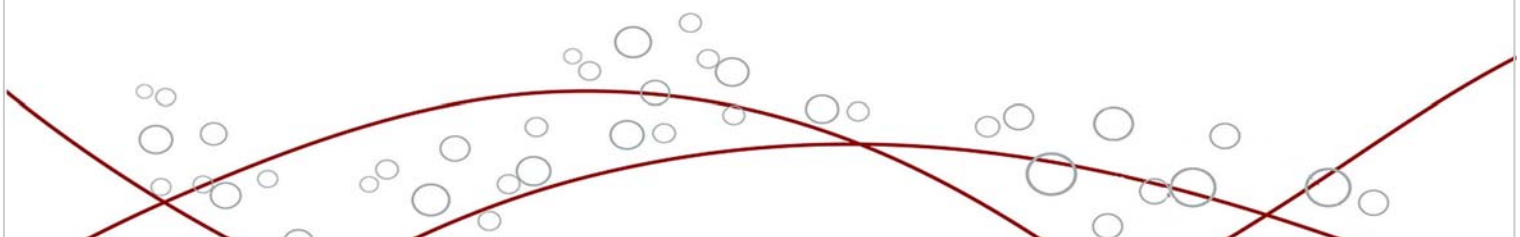

All our products are delivered to you vibrationally sound and energetically charged to provide you with the most sacred product.

I do hope you enjoy connecting to our range.

Many blessings,

Our product range

Flower Essence Room Sprays

100% pure essential oils and flower essences in a floral water base

- Created to leave your room smelling great and designed to work on the spiritual level to cleanse and clear away any negative energy from a space. As you spray around a room you are replacing the 'heavy' energy with a much lighter, clearer and more positive vibration.

Flower Essence Perfumes

Roll-on, alcohol free, 100% pure essential oils and flower essences in a jojoba base

- Designed to work on all levels of mind, body and spirit to surround the wearer with positive intent as they go about their day. As the perfume is placed on the wrists, throat and over the heart the blend forms a grid to surround the wearer with positive vibrations of the blend they have chosen.

Aura & Body Spritzers

Flower essences in a floral water base

- Designed to work on all levels of mind, body and spirit to clear away any negative beliefs or patterns. As you spritz your face, body and aura it will surround you with positive vibrations of the spritz chosen.

Essential Oils

100% pure oils

- Premium therapeutic oils, sourced from a supplier who has gentle and delicate extraction methods so the unique signatures of the plant are preserved.

Essential Oil Blends

100% pure oils

- Designed to work therapeutically on all levels of mind, body and spirit to release any negative beliefs or patterns held. As you burn the oils or place them in a hot bath they work energetically to bring that positive vibration of the chosen blend around you.

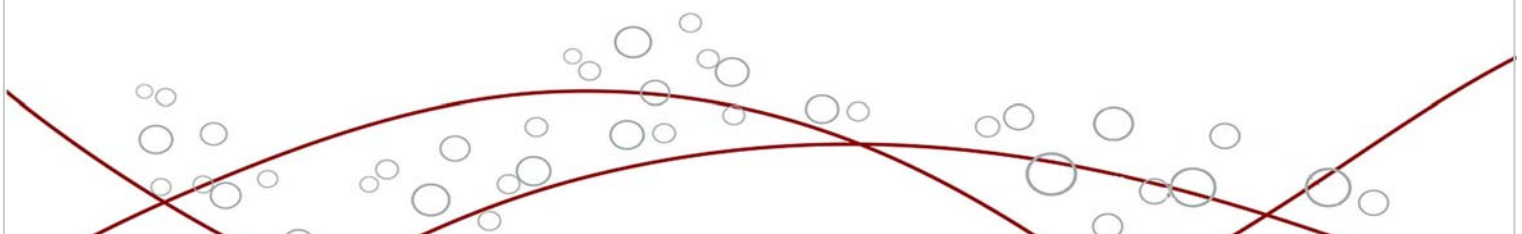

Healing Essences

- Flower Essences are vibrational remedies. They gently encourage and support your body's natural ability to heal itself and to return to a state of wholeness. They are completely safe, natural, and effective, without unwanted side-effects, and can be used by the whole family.

Sacred Essence Packs

- Sacred Essence Packs are designed to help you bring an "essence" into your life. Used each day they will assist you to let go of any self-limiting beliefs and negative thoughts held in your subconscious which may be blocking you from having the positive traits of that particular energy in your life.

Bring more Essence into your life.

Information on our blends

Abundance

Abundance is our birthright. As spiritual beings we are abundant on all levels. As physical beings we sometimes feel that we are not. Whether you want an abundance of love, money, success, happiness, relaxation, good health, holidays, family, friends...whatever... Abundance has been created to help you do just that.

Cleanse & Clear

Energy builds up. Sometimes we need to clear away any build up around ourselves and our homes. Cleanse & Clear has been designed to shift any stagnant energy or blockages you have within your home or within you leaving behind positive vibrations and clear energy. A great all purpose blend.

Gratitude

To be thankful and to live in harmony with all of life is a real blessing. Gratitude takes us to that place within our selves where we hold this feeling of being thankful and feeling grateful for wherever we are and whatever we are experiencing. Gratitude has been created to surround you with the vibration of feeling truly blessed.

Healing

The recovery blend. Used to assist you to get back on track and recover from illness or dis-ease within your body. The therapeutic properties within each of the healing products bring supportive, healing energy around you so you can consciously shift whatever you need to in order to allow the healing in.

Joy

To fill one's life with joy is such a blessing from the heavens. To live each moment joyfully is a gift you give to the heavens in return. Joy dances. Joy sings. Joy brings in child-like qualities of being spontaneous and having fun.

Love

Love is. Love is all there is. To love and be loved is why we have come. It is the essence of who we are. To love one self is the most treasured gift you can give to your self. Love moves. It gently shifts your awareness away from that which doesn't support you to that which does. Love is truly magical.

Meditation

Whether you are an experienced meditator or just beginning your journey - Meditation has been designed to help you create a safe and grounded space for your meditation experience.

Passion

Fire up. Get motivated. Passion is the fire we need at times to get us moving, to get us fired up! It is an energising mix to get the creative juices flowing. It will fire up feelings of excitement and unbridled passion to help you move the blockages and stagnation holding you back from anything in your life.

Relaxation

A very beautiful and subtle blend which can be used to calm, to induce sleep and to ease worries.

Restful Sleep

Allow this soft and supportive blend to carry you off into the land of dreams so you may enjoy a tranquil rest.

Sacredness

Mystical and enchanting. Sacredness connects you to the still, quiet breath held deep within you. It helps you connect to your truth. Our signature blend that works with you to connect you to your inner knowing and to your heart. Our most cherished essence will bless you as you connect back to the essence of who you are.

Wisdom

The energy of ancient times comes to you with this blend. We may learn many things throughout our journey but how much wisdom do we really hold within us? Wisdom is a timeless and ageless blend that will bring clarity and guidance around you.
